Aurora Housing Authority is currently hiring for a part-time maintenance technician. This person must be available during the daytime hours and be willing to carry an on-call phone after hours. If you know someone who may be interested, please refer them to the office for an employment application.

Please do not put grease down your drains! This will lead to calcium build up which can cause plugged and slow drains.

The Aurora Housing Authority would like to thank all of the residents for their cooperation in last month's REAC (HUD) inspection. We scored well and the inspector commented on how nice the property was.

Reminder: Work orders can be requested by filling out a work order form and placing in the drop box located in the laundry room. You can also call the office Monday through Friday 8:00 a.m. to 4:30 p.m. at 402-694-3292.

For emergency work orders after hours, call the maintenance on-call phone at 308-383-6156. If unable to reach someone at that number, call Richard Thomas at 402-340-5000.
