**Recently, there have been some plumbing issues in one of the buildings linked to the disposal of wipes down the toilet. Please do not flush any wipes down the toilets, even the ones that claim to be "flushable". Our systems are not equipped to handle these and future disposal of them down the toilet may result in labor and work order charges. If you use wipes, please throw them away in the trash, do not flush them down the toilet.**

*If you or your guests are riding bicycles, scooters, etc. on the property, please keep to one side of the sidewalk so that people walking do not have to walk in the grass.*

**Per your lease agreement, there is "No planting trees, shrubs or other vegetation without written permission" and "No landscaping, gardening or yard work without express permission from AHA." If you plan to plant any NEW flowers, vegetation, shrubs, etc., please contact the office.**
